

Pat Whittle
705-646-0011
www.patwhittleart.blogspot.com

Pat is an award-winning Muskoka Artist. She moved to Bracebridge about seven years ago and can't think of any place that she would rather be. Although she is a multi media painter, her first love is printmaking, whether watercolour monotypes, hand pulled lithography (stone and plate) or etching and silkscreen printing. Recently she has added chine colle to her printmaking.
