# Huntsville Art Society Membership Application PG 2 of 2

\*The Huntsville Art Society would like to promote you and your work with website presence in the form of a blog site!

If you do not already have a blog site please follow the instructions below:

A blog is a web page which offers the choice of interacting with visitors. You may use it to post your thoughts, activities or news, **or to leave it** simply as a contact page through the Huntsville Art Society website.

Our goal is to give every member their own identifying blog page linked to a new website for the Huntsville Art Society which will be unveiled during a gala party and press release.

We need just 3 things from each member sent to: [huntsvilleartsociety@gmail.com](mailto:huntsvilleartsociety@gmail.com)

If you are not sure what to write simply google "artist bio" or "artist statement" and use other artist's writings as a guide to create your own.

## 3. Images
